

No smoking, no drugs, no alcohol

Statement of intent

We comply with health and safety regulations and the Welfare Requirements of the EYFS in making our setting a no-smoking environment.

Procedures

Smoking is not allowed in the pre-school – either indoors or outdoors . From 1st July 2007 it is an offence to smoke in a public place.

- All staff, parents and volunteers are made aware of our no-smoking policy.
- We display no-smoking signs.
- Staff who smoke do not do so during working hours; we do not provide employees with smoking breaks.
- Employees smoking outside their employment hours do not smoke in the immediate vicinity of the pre-school.
- We also operate a no alcohol and a no drugs policy (this does not include general painkillers or prescribed drugs).
- If a member of staff comes to work at the pre-school and is under the influence of alcohol or non prescription drugs they will be sent home.
- If we believe a parent has dropped off their child or has come to collect their child whilst under the influence of drugs or alcohol we may contact one of the emergency contacts provided to us on the Registration form. We reserve the right to contact relevant authorities if we think a child may be at risk.
